

Get the Prescription Drugs You Need with Ease

Most Friday plans have access to thousands of free generic drugs.* Search for these using the Drug Formulary.

- Generic drugs are listed as Tier 1.
- Search by navigating from the Member Hub to the Drug Formulary.

*Check your plan for coverage.

Due to the Affordable Care Act, some prescriptions are free of cost. These include:

- Aspirin
- Contraceptives
- Tobacco Cessation Products
- Some Vitamins
- And more

Find a full list in the ACA Drug List on the Provider Hub

Skip the line or trip to the pharmacy and have your prescriptions sent to you via mail.

- Friday completes mail orders through Walmart. Fill out the mail order form which is located on the Drug Formulary page.

As a Texas member, you have access to your prescriptions through a number of popular pharmacies. These include but are not limited to:

- CVS
- Kroger
- Walgreens
- Costco
- Walmart

Find a full pharmacy list to ensure your local pharmacy is covered by navigating from the member hub to the document titled "Friday's Pharmacy List."
